

Senior Interior Designer/Studio Manager

CSO is expanding our Interior Design Studio. This studio focuses on a variety of complex and rewarding projects across (3) major market sectors: Workplace, Healthcare and Higher Education. Candidates must have a passion for design excellence, deep understanding of detail execution, and an eagerness to capture a client's vision and communicate it through design. This position directly reports to Interior Design Studio leadership.

CSO is committed to providing design and service excellence for the benefit of our clients, our people, our community, and our environment. Our people are our greatest asset, and we maintain a culture of mutual respect and support, offer opportunity for personal fulfillment, and provide an inclusive, collaborative, and stimulating workplace.

The ideal candidate will have experience managing teams and leading the design process.

Responsibilities

- Manage personnel and position project teams for success
- Lead the creative design process from concept to installation
- Conceptualize the unique design story of every client
- Lead the preparation of presentation graphics articulating the design and design process
- Maintain positive relationships with consultants, contractors, design partners, and colleagues
- Continue education growth and professional knowledge

Requirements

- Bachelor's Degree in Interior Design
- 5+ years of relevant commercial design experience
- Skilled in design presentations and graphics
- Proficiency in Revit, AutoCAD, Sketchup, Photoshop, Microsoft Office Suite, Illustrator
- WELL accreditation is a plus
- LEED accreditation is a plus
