

MSKTD & Associates

Interior Designer

MSKTD & Associates is seeking a passionate and creative Interior Designer who is dedicated to delivering innovative and aesthetic solutions while leveraging current technologies. The ideal candidate should be self-motivated, professional, and possess excellent communication skills.

At MSKTD, our interior designers are eager and driven to find creative solutions for our clients and their projects. Our team includes talented, experienced, and energetic professionals who enjoy working together in an open and collaborative environment. Our portfolio encompasses a diverse array of projects that showcase a track record of success, and we take pride in our exceptional clients and projects. Our achievements can be attributed to the outstanding individuals that make up our team and who are unparalleled in their expertise and dedication.

Qualifications:

- Bachelor of Interior Design degree from a CIDA accredited interior design program, with 3-5 years of experience
- Licensed professional is preferred (or the desire to become licensed within an agreed-upon timeline)
- Proven experience in interior design, with a strong portfolio showcasing a range of projects; commercial experience is preferred
- Advanced design, visual, and graphic presentation skills
- Strong communication skills, both verbal and written, along with time management skills
- Capable of public speaking with strong presentation skills
- Self-motivated and able to work independently, as well as part of a team
- Able to read and interpret architectural and engineering drawings
- Detail-oriented, with excellent problem-solving and organizational skills
- Proficient in Revit, Enscape, SketchUp, Photoshop, Office365, and Bluebeam
- Knowledgeable and experienced with building codes, standards, and accessibility guidelines
- Able to be nimble and to quickly adapt to client changes
- Knowledgeable of furniture, finishes, and materials
- Professional, with a commitment to delivering high-quality design solutions

Responsibilities:

- Collaborate with clients to understand their needs, preferences, and budget constraints
- Engage with design teams from inception of a project through completion, including conceptual design, presentations, design development, construction documents, specifications, and construction administration
- Provide support to Senior Interior Designer
- Assist electrical engineers and lighting designers with specialty lighting selections

- Coordinate with design teams to ensure building systems are considered and documented appropriately
- Develop FF&E selection, materials selection, color palettes, presentations, and generate specifications
- Assist in managing client expectations, team communications, and consultant coordination
- Oversee the installation and implementation of construction documents, ensuring quality and adherence to design intent
- To be consistent with industry certification requirements, you will work under the supervision of a Registered Interior Designer as you make progress towards NCIDQ Certification, if you do not already have it

Benefits:

- MSKTD & Associates offers competitive compensation and an excellent benefit package, based on experience and qualifications, including health insurance (HSA), dental insurance, vision insurance, life insurance, 401(k), 401(k) match and bonus pay as profits and performance permit, reimbursement for continuing education, flex time, paid holidays, and vacation time.
- MSKTD & Associates also offers a flexible workplace, including partial remote work opportunities, based on experience and position.
- Salary is commensurate with experience and qualifications

If you are passionate about interior design and if you thrive in a collaborative environment, we invite you to consider joining our team as we transform spaces and create inspiring environments for our clients. Submit your resume and portfolio information to employment@msktd.com
